

WE ARE HERE TO HELP

RAMSEY COUNTY
OPUS COALITION
Opioid Prevention & Unified Services

This guide was created and funded by the Ramsey County OPUS Coalition, a Drug Free Communities grantee.

To learn more, please visit our website:

OPUSCOALITION.ORG

“Nobody can go back and start a new beginning, but anyone can start today and make a new ending.”

MARIA ROBINSON

2

Step Two: Identify your funding source to pay for treatment. Whether you are on Medical Assistance like a PMAP, have private insurance, or no insurance, the contact at your chosen center will help you get a plan together.

3

Step Three: Once your funding is in place you will work with your treatment center contact to identify an intake date. It is of utmost importance to get you into treatment as soon as possible to reduce the risk of returning to use. Your health and safety is key.

STEPS TO GET TREATMENT

Do not hesitate to reach out to these MN resources. There are hundreds of people waiting and wanting to help.

1 Step One: Get a comprehensive assessment or Rule 25 through your county of residence or the treatment center you would like to go to. Assessors will then assist you with the treatment referral and placement process.

Ramsey County residents, call for questions about obtaining an assessment, treatment and payment resources: 651-266-4008.
